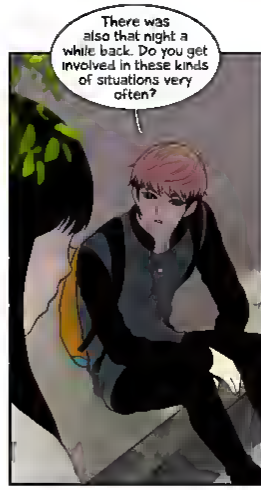
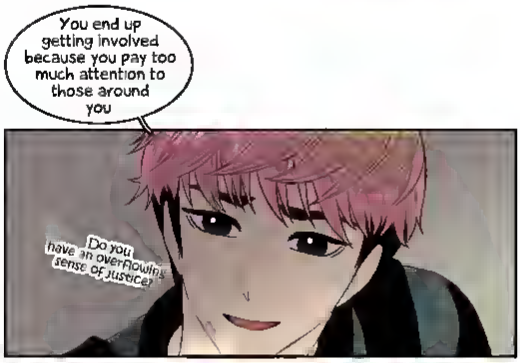
Are you hurt?
Ah, it's nothing.
More importantly, you sure have a sense for these things don't you?
No, it wasn't so much my senses as it was overhearing the little boy and getting suspicious...



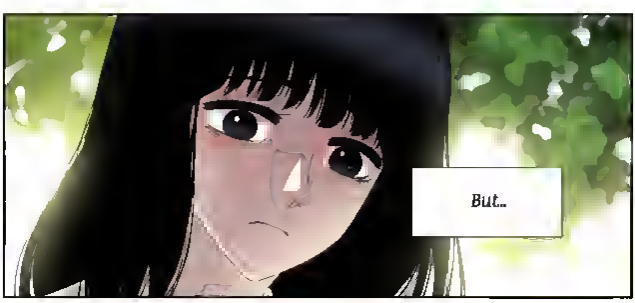
There was also that night a while back. Do you get involved in these kinds of situations very often?



You end up getting involved because you pay too much attention to those around you
Do you have an overflowing sense of justice?

I know

I know I'm sticking my nose in other people s business.



But...

CLAP!!
